

## § 1218.54

## 7 CFR Ch. XI (1–1–10 Edition)

item entry of 100 percent organic fresh and frozen blueberries bearing this HTS classification assigned by the Council will not be subject to assessments.

(f) The exemption will apply immediately following the issuance of the Certificate of Exemption.

(g) Agricultural commodities produced and marketed under an organic system plan, as described in 7 CFR 205.201, but not sold, labeled, or represented as organic, shall not disqualify a producer from exemption under this section, except that producers who produce both organic and non-organic agricultural commodities as a result of split operations shall not qualify for exemption. Reasons for conventional sales include lack of demand for organic products, isolated use of antibiotics for humane purposes, chemical or pesticide use as the result of State or emergency spray programs, and crops from a buffer area as described in 7 CFR part 205, provided all other criteria are met.

(h) On receipt of an application, the Council shall determine whether an exemption may be granted. The Council then will issue, if deemed appropriate, a certificate of exemption to each person who is eligible to receive one. Each producer who is exempt from assessment must provide an exemption number to the first handler in order to be exempt from the collection of an assessment on blueberries. First handlers and importers, except as otherwise authorized by the Council, shall maintain records showing the exemptee's name and address along with the exemption number assigned by the Council.

(i) Importers who are exempt from assessment shall be eligible for reimbursement of assessments collected by the U.S. Customs Service and shall apply to the Council for reimbursement of such assessments paid. No interest will be paid on assessments collected by the U.S. Customs Service. Requests for reimbursement shall be submitted to the Council within 90 days of the last day of the year the blueberries were actually imported.

(j) Any person who desires an exemption from assessments for a subsequent fiscal year shall reapply to the Council,

on a form provided by the Council, for a certificate of exemption.

(k) The Council may require persons receiving an exemption from assessments to provide to the Council reports on the disposition of exempt blueberries and, in the case of importers, proof of payment of assessments.

(b) No program, plan, or project shall be implemented prior to its approval by the Secretary. Once a program, plan, or project is so approved, the Council shall take appropriate steps to implement it.

(c) Each program, plan, or project implemented under this subpart shall be reviewed or evaluated periodically by the Council to ensure that it contributes to an effective program of promotion, research, or information.
